

DAIRY PLASTIC OPEN HEAD PAILS

APPLICATIONS

Dairy, beverage, ice cream, and other applications.

COLORS

White and natural are common colors.
Custom colors are available upon request.

SIZE	MATERIAL	MIL THICKNESS	ADDITIONAL FEATURES
1.5 gallon	HDPE	40	
2.5 gallon	HDPE	45	
3 gallon	HDPE	45	

SPECIAL FEATURES

The resin allows the container to be used with a wide range of temperatures. The container can withstand frozen and dirty applications. A snap-on cover is used with the dairy open head pail. The cover can also be decorated.
