

DOUBLE WALL JARS

APPLICATIONS

Food, hair care, lotions, creams, personal care, and other applications.

SPECIAL FEATURES

- + Wide mouth opening for ease of filling and dispensing
- + Configured from two distinct parts to provide the flush look of a thick wall jar at the fraction of the cost
- + Available with straight or round base
- + Additional colors available upon request

HDPE

Colors: Natural, White

SIZE	NECK FINISH
0.25 oz	33-400
0.5 oz	48-400
1 oz	53-400
2 oz	58-400, 70-400
4 oz	70-400
8 oz	89-400

Since double wall jars are composed of two distinct parts to provide a flush look of a thick wall jar, colors of the inner piece and outer piece can be mixed for a unique look.
