

ROUND METAL OPEN HEAD PAILS

APPLICATIONS

Inks, chemicals, lubricants, adhesives, sealants, and any other industrial application.

COLORS

Black, gray, and white are common colors. Custom colors are available upon request.

SIZE	MATERIAL	GAUGE	UN RATING
5 gallon	HDPE	26/24	UN Y2.1/100
5 gallon	HDPE	28/26	UN1A2/Y1.5/80

SPECIAL FEATURES

A variety of linings are available such as rust inhibitor, epoxy, and phenolic to withstand aggressive products. Pails can also be straight-sided or nested depending on the needs of the product. A lug cover or with a cover with a dispensing spout are also options to combine with a steel pail for a complete packaging solution.
